WASHINGTON POISON CENTER 70 YEARS

An Independent Nonprofit Organization

# Always Here.
# Always Ready.

**Washington Poison Center is your nonprofit resource on poison prevention and drug safety.**

Our team of pharmacists, nurses, physicians, and public health professionals protects your health through:

## 24/7 Poison Helpline

Immediate, free, and confidential treatment advice in 200+ languages for poisonings, medication mistakes, and overdoses

## Public Health Education

Trainings, resources, and outreach to help people make safer, healthier choices

## Data, Research, and Advocacy

Real-time monitoring of poisoning trends and expert support for public health leaders, clinicians, and policymakers

## Healthcare Professional Education

Training in managing toxic exposures across every stage of clinicians' careers, from internships and clinical rotations to continuing education

## We're here for you 24/7/365
